Report of Workshop on "Advantages of Electronic Tools in Physical Science"

Date: 07-05-2023

Under the Guidance of Principal Dr. S N Nikam, the Department of Physics, M.S.G. Arts, Science and Commerce College, Malegaon Camp was organized a one-day Workshop on "Advantages of Electronic Tools in Physical Science" on May 07, 2023 at 2:30 PM.

About the program: Dr. Mohiniraj S Netkar, Department of Electronic Science, K B C North Maharashtra University Jalgaon was invited as a **Chief Guest** for this Programme. 40 participants were present in this Programme. The president of the program was the Hon. principal of the college Dr. S. N. Nikam, the Co-ordinator and Head Department of Physics Dr. A. S. Garde were present for this Programme. Dr. Mohiniraj Netkar was delivered lecture on Advantages of Electronic Tools in Physical Science. Also explained various Tools of electronic in the Subject of Physical Sciences. Lastly they were discussed on various scopes, applications and of nanomaterials. This lecture was much beneficial and informative for all the participants. Initially Dr. A. S. Garde have introduce introductory part of Programme and activities run by the Department. The organizing committee Mr. C. R. Yewale, Mr. S. S. Mandawade, Miss. Firdaus Ara, Mrs. Y. D. Jadhav and Ishwar Sansare were involves in this Programme actively.

Lastly, vote of thanks was delivered by Mr. S S Mandwade after which the seminar was successfully concluded. Overall, it will be much beneficial and informative for all the participants and help them to gain knowledge regarding the basics of nanotechnology and research scopes in that.
