Avishkar-2023

The academic research committee has taken special efforts and motivated the students to increase participation in the inter-university research project competition 'Avishkar'. This competition inculcates a research culture among the students and provides an opportunity for the expression of academic talent. The academic research committee successfully organized the college-level round of the Avishkar competition on 23 September 2023. Registered participants presented their projects enthusiastically. A total 90 UG and PG students participated to present their projects in the college-level round. Prin. Dr. C. J. Dighavkar inaugurated the competition. In college level round 22 research projects are selected for the district-level round under six categories viz. Pure Sciences, Medicine and Pharmacy, Agriculture and Animal Husbandry, Engineering and Technology, Commerce and Management and Humanity. Principal Dr. C. G. Dighavkar felicitate and congratulate to the successful students.
