Department of Electronic Science

Guest lecture Series (A.Y. 2019 - 2020)

The department of electronic science every year conducts several activities for students. These kinds of activities are in the form of seminar, guest lectures, question competitions, exhibitions and industrial visits. This guest lecture series has been conducted for F.Y./S.Y./T.Y.B.Sc Electronic science students. In A.Y. 2019-20 department organized guest lecture series on the different subjects. The departments conducted a guest lecture series in academic year 2019-20. The following table date of event, Resource person, topic, no. of students benefitted.

Sr. No.	Date of Event	Resource Persons	Topic	No. of students benefitted
1	16/08/2019	MR. Imran Shaikh (Alumni) Eminent Research scholar Dept. of Physics SPPU	Quantum Mechanics and Raman Scattering	45 (UG /PG)
2	22/08/2019	Mr. Rakib Ansari (Alumni) Engineer in Automation working in Abu Dhabi	Industrial Automation	45(UG /PG)
3	07/01/2019	Mr. Bhavesh Ahire (Alumni)	Needs of Industry	35

Our department had organized guest lectures of experts in electronics field on various advanced electronic topics. Our ex-student **MR. Imran Shaikh** (Eminent Research scholar , Dept. of Physics SPPU) delivered a lecture on “**Quantum Mechanics and Raman Scattering**” on 16 August in department of Electronic-science at 2.30 p.m.. This programme was jointly organized by Department of Electronic-science & Department of physics. During this programme 40 students of T. Y. Physics and electronics were present. Prof. Sajid Ansari introduced Guest. Dr. R.N.Shelar felicitated Guest. Dr. Mrs. S.C. Kulkarni performed vote of thanks. The staff members of Dept. of Physics and Electronics were present.
