Department of Economics

### Report on Online National E-conference (2021-2022)

M.S.G. Arts, Science and Commerce College, Malegaon Camp, Malegaon by Department of Economics. National e-conference was organized on March 29 and March 30, 2022. The theme of the conference was "Indian Economy: Opportunities and Challenges in 21<sup>st</sup> Century". The National E-Conference was inaugurated by Dr. Sambhaji Kale, Chairman, Board of Economics, Savitribai Phule Pune University through video conferencing. Dr. V. S. More was the chief guest on the occasion and Dr. Dinesh Shirode, the principal of the college, presided over the inauguration ceremony. Dr. M. V. Hiray, Head of Department of Economics, made the introduction. Dr. Jaykumar A. Shinde was the keynote speaker. He took a detailed analysis at the agricultural, Industry and service sector in terms of opportunities and challenges in the 21<sup>st</sup> century in Indian economy. On the first day of the National Conference, in the first session, Dr. N. K. Divraniya, Asst. Professor, Govt. Arts and Commerce College, Jamkhambhaliya, from the state of Gujarat gave a lecture on 'Agricultural Research and Food Security in India'. As India is an emerging economy of the 21<sup>st</sup> century, India has to perform globally in terms of food security, and for that India's agronomists, farmers and agricultural universities need to work together. This was explained by Mr. N. K. Divraniya in his lecture. In the second session, Dr. B. V. Maund, Vasantrao Kale College, Dhoko, Osmanabad (MS) gave a lecture on 'Financial Sector Performance of Indian Economy in 21<sup>st</sup> Century'. The demonetization in India in 2016 created a cash crunch in the financial sector, and in December 2019, the Indian economy was hit by the COVID-19. Since then the growth rate in India has slowed down. Hence there is a need for comprehensive fiscal reforms in India. This was explained by Mr. B. V. Maund through his lecture. In the third session of the first day, the research papers of the professors were presented. A total of five professors' papers were presented. Finally, Dr. B. M. Sonawane gave vote of thanks.

In the first session on the second day of the National E-conference, Dr. Rajendra Borse gave a lecture on 'Industrial Sector Opportunities and Challenges in India'. After 2015, the fourth industrial revolution has started in the world. India has also adopted the Fourth Industrial Revolution since 2015. Robotic technology and 3D technology are important outcomes of the fourth industrial revolution. India has an opportunity to lead the world in the 21<sup>st</sup> century. For this there is a need to become self reliant in the industrial sector. This was expressed by occult Dr. Rajendra Borse. After this, four professors presented their research papers. In the second session, Dr. Pratibha Kalmegh, HoD of Economics, Shivshakti Arts and Commerce College, Banhulgaon, (MS) gave a lecture on '21<sup>st</sup> Century Women Empowerment'. In the 21<sup>st</sup> century, the role of women is decisive in the overall economic development of India. The participation of women in agriculture, industry and service sector is increasing. Extensive efforts are being made for the participation of women from the government level. In her lecture, Madam appealed to all the women of India to take advantage of this opportunity. After this, four professors presented their research papers. A total of nine professors presented their papers in the third session. After that, the closing ceremony was held. For the closing ceremony, Dr. Subhash Nikam was present as the chief guest. Dr. BM Sonawane of the Department of Economics summarized the extensive discussions held at the National Conference.
