A Dream that a prophetic educationist visualized

A prophetic Educationist Karmaveer Bhausaheb Hiray dreamed of providing meaningful education to the tribal, downtrodden, backward and under privileged community with the purpose of social upliftment, reformation and welfare of the society.

To fulfil this dream he worked with missionary zeal to create higher moral and humanitarian values among students and develop the social environment for attaining high ethical standards. Hence we promote the all round development of the students by organizing extra curricular activities along with the curriculum of the university.

We efficiently impart knowledge and inculcate virtues such as dignity of labour, work ethics and commitment to the society.

In order to expand the educational network in rural realm, Karmaveer Bhausaheb Hiray had a dream to establish a university for rural students. His vision to create ideal citizens is our chief mission and we strive towards the fulfilment of his aspirations, longing and hopes.

Late Karmaveer Bhausaheb Hiray

Vision

सा विद्या या विमुक्तये

We are dedicated towards imparting quality knowledge and skills to make students professionally independent and socially responsible

Mission

Our Mission is :

1. To impart quality knowledge and skills contributing to national development.
2. To transform students into responsible members of society through value education.
3. All round development of students to make them capable of facing global challenges successfully.
4. To form a confluence of ethics, conventional education, science and technology, and vocational education.
5. To develop creative, productive and independent thinking among students for research, innovation and incubation.

14	Journalism	1 Month	Political Science	50
15	Travels and Tourism	36 Days	Geography	50

FACILITIES**CENTRAL LIBRARY**

The college has a well-furnished and well-equipped library, having around 1,80,564 books with latest 60 journals, Specious reading room facility is available with individual Study Zones for the staff members, students and researchers. More than 300 students can sit and study in reading hall. The library is well equipped with Audio-Visual Aids and computers. It has a special scheme for poor students i.e. Poor Boys Books Bank facility (P.B.F.) consisting of 34,405 books.

The collection is not only more extensive in terms of quantity, but also in terms of quality. In addition to offering services through this extensive collection, our library also keeps readers up to date with current developments in the universe of knowledge by becoming a member of INFLIBNET NLIST and DELNET New Delhi. The readers have complete freedom to select and check out books from a library on their own. The library ensures we are a library for the next generation of the 21st century and beyond while keeping the knowledge of the past through a rich collection. Employees at the library genuinely make an effort to help our readers.

**Special Features of Library:**

- A spacious reading hall having capacity of 300 students.
- E-Library having 10 computers.
- A separate reading section for disabled students.
- A separate reading section for preparation of Competitive Examinations.
- KIBO software for blind students.
- Electronics Display for newly acquired books.
- Library instruction/user education sessions for students.
- Regular Book Exhibitions and reading promotion programmes.
- Separate Water filter and Cooler for students.
- A separate webpage of Library available on college website under “Other” tab.

General Rules of Library:

- Every student entering in the library should pass he/her valid Identity Card. It should be produced as and when demanded by any of the library staff.
- Identity Card and issue card in non-Transferable.
- Students should handle the books or periodicals very carefully. Any attempt of damaging the books or periodicals (defecting or tearing the page) will be treated as misconduct and shall be subjected for penalty.
- Two books at a time will be issued against the Issue Card. A student is allowed to keep the books for 7 days only. In case failure to return of the books in time, the students will be fined for daily as per the rules of the college.
- Issuing of books will be between 9.30 am to 4.30 pm with an interval of one hour from 1.00 pm to 2.00 pm.

Books Bank Facility:

College provides Book-Bank scheme for needy students. Students should apply in the prescribed form for books from Books Bank at the beginning of the year.

**Department of Computer Science****Salient Features of the Department:**

- As an Autonomous Institution, college has the provision for designing the curriculum to meet the current needs of Industry and academia.
- The curriculum of the Department is designed with a proper blend of industry-relevant and research subjects taught through collaborative learning.
- It is designed to bridge the gap between Industry and academics and is meticulously reviewed by many industry experts, academicians, and other stakeholders.
- The Department is working hard in thrust areas of Machine learning, Artificial Intelligence, the Internet of Things, Cyber Security, Full Stack Development, Cloud Computing, Data Science, and Blockchain Technologies.
- Our curriculum comprises a correct mixture of research-oriented stream, basic science courses, management courses.
- In addition to the final Major project, seminars and mini-projects are included in the curriculum to facilitate the students a platform to implement their learning to solve real-world problems practically.

**Department of Electronic Science****Salient Features of the Department:**

- The Department of Electronic Science was established in June 1985 under the Science faculty as a special subject at B. Sc. Level
- The Department is progressing steadily due to continuous development in electronics science and Technology.
- Well-furnished and well-equipped Electronics laboratories for UG course, Computer Laboratory with internet facility.
- Software tools, Departmental and central libraries are enriched with reference, text, and magazines.
- ICT facility for teaching & learning is in use.
- Faculty members have published research papers and presented papers in international and national conferences/seminars/Workshops/ webinars /various extensions, co-curricular, and outreach activities regularly.
- The Department is not only providing the quality education but also realize its responsibilities towards the society and self-employment channel.
- Our faculty keeps pace with constant up-gradation by attending and organizing seminars, workshops and refresher courses.
- Students are placed at various academic and industrial sectors.

Maharaja Sayajirao Gaikwad Arts, Science & Commerce College,

Malegaon Camp, Tal. Malegaon, Dist. Nashik (MS)

The Department of History, U.G. and P.G. Level

Department Overview :

1. Academic Programs: The Department of History offers undergraduate (B.A.) and postgraduate (M.A.) programs in History.
2. Faculty Expertise: The department has experienced faculty members with expertise in various fields of history, including ancient, medieval, and modern Indian history, as well as world history.
3. Research Opportunities: Students have opportunities to engage in historical research, exploring topics such as local history, cultural heritage, and social movements.

Curriculum and Courses :

1. Diverse Course Offerings: The department offers a range of courses, including Indian history, world history, and specialized topics such as economic history, social history, and cultural history.
2. Interdisciplinary Approach: The department encourages an interdisciplinary approach, incorporating insights from other disciplines such as political science, geography and literature.

Facilities and Resources :

1. Library and Archives: The department has access to a well-stocked library with a vast collection of books, journals, and archival materials related to history.
2. Research Support: Students have access to research support, including guidance from faculty members and resources for conducting historical research.

Extracurricular Activities :

1. Historical Society: The department may have a historical society or club that organizes events, lectures, and activities related to history.
2. Field Trips and Excursions: Students may participate in field trips and excursions to historical sites, museums, and archives.

Career Opportunities

1. Academic and Research Careers: Graduates can pursue careers in academia, research, and teaching.
2. Museums and Archives: Students can work in museums, archives, and cultural institutions.
3. Government and Policy: Graduates can work in government, policy-making, and administration.
