Respected Sir/Madam

As per Campus Interviews arranged by us in our College, we have gone through the interviews of your students and selected the 12 eligible students. We observed that the communication skill, presentation skill, subject knowledge and personality of these students is very good and up to the mark.

Overall we are satisfied with the performance of students and hope for organization of such programs in future.

Our recommendations: Organize the workshops for students to aware them about industrial working process as well as the functioning of industries.

Thanking you.

Yours Faithfully,
